They also announced they will be representing JSC at the Stock Show on January 21<sup>st</sup> and wanted to say thank you to Savanna & Trinity last year's royalty.

For the gymkhana report we had continued discussion on what we should do with the exhibition runs and jackpots which will be tabled to next meeting. We also had discussion on doing the stick horse races again this year which the royalty will look into.

For the show report there was discussions on combining the 19-34 & 35 & over classes for English and western and taking out the lead line class for English. We are going to take out the English lead line class due to having no entries at the shows. We also decided to see how this year goes to as far as combining the 19-34 & 35 & over age group with us doing more advertising to see if the classes get bigger; so we decide to re look at this next year.

We looked at our issue dates that we have for this year and decided to move the June 15<sup>th</sup> show to June 22<sup>nd</sup> due to the 15<sup>th</sup> being Fathers day, the July meeting to the 12<sup>th</sup> and the gymkhana to July 13<sup>th</sup> due to the 4<sup>th</sup> of July three day weekend, and the August gymkhana to the 10<sup>th</sup> due to Larimer County Fair from the 1<sup>st</sup>-6<sup>th</sup> of August.

We had no new members to announce in January.

For member time Susan Stolz said that Terry would like to purchase the water truck from the club; he would like to get plates and insurance on it so he could drive it on the street and use it for club use and personal use. It was said that we need to do something about the dust coming from the warm up area in which the Stolz's would be able to use the truck to get sand to help with the dust. They would trade the money that we pay them each year

to use the arena towards payment for the truck. Chris said that she could draw up a legal document on the transfer of the truck, but we will still need input from Dale because he is on the board and from more of the members so this will be tabled to next meeting.

For old business there was a thank you to Susan for making all of the frames for the banquet. Megan also mentioned that she would like a place to store the centerpieces from the banquet and Anitta said that she can store them at her house.
