For our gymkhana report Carol is gone so they should be set and did get more cat litter for flags.

For the show report Anita had announced she will not be the show manager so can people look into if they want to take that over. Will need an announcer for the first show so please let us know before the 18th.

For old business we had our clean up day and the only thing we didn't get to is painting and we will look at possibly setting up another time for people to come paint and move the announcers.
